

Reflex

CONSTRUCTION

Fed up with multiple systems? Tired of having to re-enter information?

The Reflex Construction ERP provides one single solution to manage your construction projects from start to finish.

General, commercial, civil, mixed use, and residential projects can use Reflex to lower costs while keeping everything and everyone connected.

Manage every aspect of your project with our construction-specific modules:

Prospecting/CRM

Estimating/Takeoffs

Construction/Project Management

Project Scheduling

Field Services:
Field POs,
Daily Logs,
Field Time Entry,
Equipment Management

Web Portals:
Supplier AP/Compliance,
Consultants,
Customers

RFI/Submittal Management

Progress Billings

Analytics, Business Intelligence,
and Reporting

Construction Management

Reflex offers full management for construction projects. Users can quickly access all project details from a single screen and analyze any data from our embedded Reflex Analytics™ module.

Full Estimating Management

Major	Add On Description	% of O/A	Labor Total	Material Total	Subcontract Total	Equipment Total	Other Total	Total
02 Site Construction		18.98%	0.00	3,557.00	38,101.00	7,500.00	0.00	45,158.00
03 Concrete		10.81%	0.00	0.00	25,750.00	0.00	0.00	25,750.00
05 Metals		19.31%	0.00	0.00	46,000.00	0.00	0.00	46,000.00
06 Wood and Plastics		5.06%	0.00	0.00	12,050.00	0.00	0.00	12,050.00
08 Doors and Windows		4.36%	0.00	0.00	11,865.00	0.00	0.00	11,865.00
09 Finishes		15.99%	0.00	0.00	37,856.00	0.00	0.00	37,856.00
14 Conveyancing Systems		4.56%	0.00	0.00	10,850.00	0.00	0.00	10,850.00
15 Mechanical		6.1%	0.00	14,534.00	0.00	0.00	0.00	14,534.00
16 Electrical		8.65%	0.00	20,612.81	0.00	0.00	0.00	20,612.81
20 Marketing & Sales		5.67%	2,500.00	0.00	11,000.00	0.00	0.00	13,500.00
			2,500.00	38,703.81	189,472.00	7,500.00	0.00	238,175.81

Experience a robust solution where you can build full estimates via takeoffs directly in the software. Markups can be managed per LEM component and add-ons and burdens can be easily incorporated into any of the cost lines.

We are very pleased to have chosen Reflex and continue to work closely with them as our information partner.
