

Reflex

LANDFILL AND WASTE MANAGEMENT

Experience a full solution for waste and landfill scale operations.

Reduce operating costs and improve efficiency while also managing all other aspects of your business.

With Reflex, companies in the waste and landfill management industries can organize complexity and manage weigh scales, multiple contracts, permits, accounting and financials, operations, equipment and materials, and more—all in one single solution.

Manage every aspect of your organization with our waste and landfill-oriented modules:

Weigh Scale Integration
Residential and Commercial Tickets
Asset and Inventory Management

Automatic Billings
Tickets and Invoicing
Material Tracking
Permit | Contract | Project | Job Tracking
and Pricing

Electronic Signature Capture
Web Portals
Analytics, Business Intelligence,
and Reporting

Weigh Ticket Entry

Manage all tickets by customer, material, contract number, zone, truck, and more.

Scale Permit and Contract Setup

Set up and manage multiple contracts, permits, and volume pricing, while also managing cash and contract customers..
